Hello. We are calling for a *population study* for the Jewish community sponsored by the Jewish Federation of Palm Beach County. We are *NOT* asking for donations or selling anything AND we do not know your name or address. We *ARE* randomly interviewing households with one or more Jewish persons.

Was anyone in your household born or raised Jewish, or is anyone currently Jewish?		
<p>Yes</p>	<p>A mixed response</p>	<p>No</p>
<p>Great! My name is _____. <i>(FIRST NAME ONLY)</i></p> <p>and your participation is important in helping the Jewish community identify needs and plan for the future.</p> <p>Again, your answers will be anonymous: We do <i>NOT</i> know your name or address.</p> <p>DO THE SURVEY</p>	<p><i>There is a Jewish born or raised person in the household, but no one is currently Jewish.</i></p> <p>So that we can properly understand your answer, would you please tell me what you mean when you say someone in your household was (born/raised) Jewish but is not currently Jewish?</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>Secular, agnostic, atheist, non-practicing, non-religious, non-observant, nothing, no religion, non-Western religion, doesn't identify as Jewish</p> <p>"Not consider self Jewish, but has NOT converted out and is not a regular church attender"</p> </div>	<p>Since no one in your household is Jewish, let me just thank you for participating in our study. Have a great day.</p> <ol style="list-style-type: none"> 2. Messianic (Jews for Jesus, Hebrew Christian, Completed Jew) 3. Converso, Marrano, Crypto Jew 4. Converted to another religion 5. USE AS NECESSARY:

<p>HOW LONG DOES THIS TAKE?</p> <p>It takes about 10 minutes or so. I will go as fast as I can.</p> <p>Start Asking Questions!</p> <p><i>IF STILL NO COOPERATION:</i> We understand that sometimes we call at a bad time.</p> <p><i>When would</i> be a better time to call back? (Never ask permission to call back—ask for a good time!!!)</p>	<p>WHY ARE YOU DOING THIS STUDY?</p> <p>First, the information will be used to put together a profile of the local Jewish community, kind of like a census. Second, the Jewish Federation raises millions of dollars each year to meet the needs of Jews locally, nationally, in Israel, and around the world. This information will be used to help set priorities. For example, do we need more services for the elderly in this area or more Jewish preschool classrooms? Your responses, when added to the 1,500 other respondents, will help this community to know how to spend the money that is so generously donated by members of the community.</p>
