Hello, my name is _____.

I am calling on behalf of the population study for the Jewish community sponsored by the Jewish Community Federation of Greater Rochester.

We are NOT asking for contributions.

We're interviewing random households with one or more Jewish persons.

Was anyone in your household born or raised Jewish, or is anyone currently Jewish?	
Yes ↓	No ↓
IF BORN OR RAISED OR CURRENTLY JEWISH	NO ONE JEWISH
 The information will be used to identify needs and to plan better services. Your answers will be completely anonymous. We do <i>NOT</i> know your name or address.	We have only one question: How many different telephone numbers, excluding numbers used only by a fax or a computer, do you have coming into this household? (In other words, we called you at _____, are there other numbers that ring in your household?) Thank you for participating in our study. <i>(Answer goes in the final result square on the telephone control form. If you do not get an answer, put a dash. The number you record includes the number we called them at.)</i>
