The Jacksonville Jewish Federation has commissioned a major demographic and attitudinal study to help serve our community better.

Help Us To Help You!

In October, professional interviewers will be calling hundreds of randomly selected Jewish homes in the Jacksonville area. If we call you, please stay on the telephone. Your answers to our questions will help us perpetuate a strong, vibrant Jewish community into the years ahead.

We are counting on you to count yourself in!

Telephone numbers will be selected randomly. All calls will be anonymous. Interviewers will not know, and will not ask for, your name or address.

There will be no solicitation of funds.
