IF ASKED, WHO ARE YOU?

My name is _____. I am calling from SSRS (Social Science Research Solutions), an independent research firm which has been asked to interview people for the 2010 Greater Baltimore Jewish Population Survey; we have conducted similar studies in other major American cities.

IF ASKED, WHO IS DOING THE STUDY, OR RESPONDENT QUESTIONS THE LEGITIMACY OF THE STUDY:

"You can call 1- 410-369-9203 or go to www.BaltimoreJewishSurvey.org to find out more about this study. It is funded by THE ASSOCIATED: The Jewish Community Federation of Baltimore which provides services to Jewish and non-Jewish individuals and families in the community.

IF RESPONDENT SAYS "BUT, I'M NOT JEWISH":

Then it will take only a minute; we have only a few questions for everyone who lives in the Greater Baltimore area — whether Jewish or not Jewish — and we would greatly appreciate your cooperation; the results of the survey will be useful in planning services for both Jewish and non-Jewish individuals and families.

IF RESPONDENT SAYS "I'M NOT JEWISH, MY HUSBAND/WIFE/PARTNER IS..."

We would love to speak with you - we very much want to interview non-Jewish spouses/partners in Jewish households if you are comfortable talking about your household's Jewish life experiences. We would appreciate your participation. INTERVIEWER: IF NOT COMFORTABLE, TRY TO SET CALLBACK WITH JEWISH PERSON

ASK LANDLINE SAMPLE ONLY

S-1 May I please speak to someone who is least 18 years of age or older.

[INTERVIEWER: IF POTENTIAL RESPONDENT IS 18+ ATTEMPT TO COMPLETE INTERVIEW

IF POTENTIAL RESPONDENT IS NOT 18+, TRY TO GET A HEAD OF HOUSEHOLD TO COMPLETE THE INTERVIEW. FOR ALL CALLBACKS, TRY FOR HEAD OF HOUSEHOLD]

S-2. This survey is being done for the Baltimore Jewish community.

Do you consider yourself Jewish? PAUSE – ASK IF NEEDED ... or not Jewish?

READ ALL CATEGORIES BELOW ONLY IF RESPONDENT NEEDS PROMPTING

IF ASKED WHY ARE YOU ASKING ABOUT RELIGION, OR WHY ARE YOU ASKING IF RESPONDENT IS JEWISH, SAY:

The results of the survey will be useful in planning programs that are funded by the Jewish community, which provides services for both Jewish and non-Jewish individuals and families. In order to get an accurate estimate, we need to speak briefly to people who are not Jewish, as well as to speak with Jewish persons.

The US Census does not ask religion, so organizations interested in religious identity often conduct their own surveys.
